## OBJECTIVE:
A swift learner. I want to work in an environment where I can grow and polish my skills to the very best.

## EXPERIENCE:
- **Software Engineer (iOS)** at Absoluit. (Aug 2021 – Present)
- **Software Engineer (iOS)** at TelloTalk Inc. (Oct 2020 – July 2021)
- **Software Engineer (iOS)** at CHHATT.com (March 2020 – Sep 2020)
- **Jr. iOS Developer** at Jeddahsoft (Sep 2019 – March 2020)
- **Trainee iOS Developer** at Codebucketz (June 2019 – August 2019)

## EDUCATION:
- BS in Computer Science from ILMA University, Karachi (2017 - 2021)

## PROJECTS:
- Worked with Tilism Technologies Pvt. Ltd. :
  - **TelloTalk https://apps.apple.com/pk/app/tellotalk-chat-messenger/id1072630269**
    *Pakistan's first free chat messenger that offers you much more than just messaging! TelloTalk allows you to access Pakistani News, Music, Videos, Memes and exclusive stickers that make that will change your perspective on what a messenger can do!*
- Worked with CHHATT.com :
  - **Bringo Home https://apps.apple.com/pk/app/bringo-home/id1509400464**
    *Bringo home offers grocery shopping. Get a complete list of stores available near you. Select a product of certain store you want to buy. Once order is placed you will be notified.*
  - **CHHATT https://apps.apple.com/pk/app/chhatt-جہت/id1523139543**

*Chhatt app allows you to search properties in Pakistan. Search for plots, flats and shops. Add properties to wishlist for later view.*

- Worked with Jeddahsoft :
    - **Handartis** **https://apps.apple.com/pk/app/handartis/id1503212701**
      *Handartis is a platform for promoting Tunisian artisans to showcase and sell their unique handicraft products globally through the online store.*
    - **Mahataty**
      **https://apps.apple.com/pk/app/mahatatay/id1503349114**
      *Ecommerce app which allows you to purchase petrol on the go in Saudi Arabia. Select number of litres you want to buy and place a order. Track the location of the delivery.*
